Two weeks ago, since the launch of "La oferta y la demanda" ([http://www.bcoredisc.com/bandas/joan-colomo?id\\_grupo=123](http://www.bcoredisc.com/bandas/joan-colomo?id_grupo=123)), the last work of the musician from Sant Celoni, and which we expected with great expectation for several reasons: to publish our summer session with him; to go through all his letters, inch by inch, in a lovely disc in Catalan; to follow the career of this master who never leaves one indifferent.

His enigmatic personality, present in all his work, has been captured in our session full of contrasts and details that have been created to give life to a scenario where the soundtrack sounds in each of our portraits.

Ya hace dos semanas desde el lanzamiento de "L'Oferta i la Demanda" ([http://www.bcoredisc.com/bandas/joan-colomo?id\\_grupo=123](http://www.bcoredisc.com/bandas/joan-colomo?id_grupo=123)), último trabajo del músico de Sant Celoni, y que esperábamos con mucha expectativa por varias razones: para publicar nuestra veraniega sesión de fotos con él; por recorrer todas sus letras palmo a palmo en un disco encantador y totalmente en catalán; por seguir la carrera de este maestro que nunca pasa indiferente.

Su personalidad enigmática, presente en toda su obra, ha quedado plasmada en nuestra sesión llena de contrastes y de detalles que hemos creado para dar vida a un escenario donde la banda sonora suena en cada uno de nuestros retratos.
