

Spanish Moog

Alfonso Santisteban / Adarce Records

Adarce Records sigue buceando en las cubetas discográficas españolas de los años 60 y 70 para reeditar sabrosos vinilos que nos harán más felices. Es el turno del gran Santiesteban y un álbum publicado en 1975 por el sello italiano CAM. Grooves, soul castizo, funk sideral y prohibido estarse quietos.

Adarce Records continue to dive into the 60s and 70s Spanish music scene to relaunch some incredible vinyls that will make music lovers very happy. This time, it is turn of the great musician Santiesteban and his 1975 album from the Italian record company CAM. Groove, soul and funk music that will make it impossible to stand still.
